

Cost of Lessons

Private lessons are an integral part of a partnership's maturity in dancing. Our club encourages this by subsidizing (helping to pay) the costs for private lessons. Remember you and your partner will split the cost. Some instructors will offer these prices for sub privates (two couples).

How it works: You and your partner attend a private lesson from a coach listed below. You approach Jessica Richards (jrichar at ncsu.edu) and she will consider it for approval.

NOTE: You must be an active club member. Our officers have the right to decline a request for reimbursement.

Instructor(s)	Original Cost	After Subsidy
Wayne and Marie Crowder	\$65	\$50
Robertas and Inga	\$75	\$60
Wendi Davies	\$95	\$75
